60 MINUTES

(only for membership customers)

About the ingredient

Red rice is enriched with the goodness of antioxidants and magnesium, which helps in preventing and curing several diseases.

Fusion with our Therapy

A unique massage, first time introduced in India using rice paste. The paste is made from finely ground pure organic red rice mixed with rose water. Not only does the rice paste allow long flowing massage movements on the skin, but also leaves the skin soft and smooth. Enjoy the freshness of a truly chemical free spa therapy.
